NEW WEBSITE - September

After the fantastic work that Ben Dodds put into our website last year he has continued this and improved the site even more for the coming season. The vision of the club is that the website becomes an everyday tool for all members of the club with many added features that can be accessed and used daily. Fun features like players profiles will be added every 2 weeks. The first is of our club captain Nick Henry!! A Fantasy League update with top scorers and leading players and managers updated every week. A copy of your newsletter all the contact details of your committee including lovely photos so you

know who we are! The link for the new easyfundraising shopping channel where you can make great savings online with M&S, John Lewis, Boden and many more well known retailers and at the same time raise money for PHC. Check it out www.pelicanshockeyclub.co.uk While you shop online you raise money for Pelicans. You can also download our club membership forms and view all fixtures by team.

The Club still needs a volunteer to help with the function of arranging umpires during the season. It genuinely is an easy enough job for a well organized person. Full details of the requirement can be obtained from Bob King or Mark Mills, please help your club. If you feel this is something you can do please get in touch.

Please help support your club with prompt payment of your membership fees. All the changes and improvements to your club are part of your membership. Your membership subscription is vital to the running of our club and non payment or late payment has a detrimental effect on the way the club functions. Please forward your subs and completed membership form to Bov (Matthew Bower) by 9th September.

Membership forms can be found on the website or email mbower@btinternet.com for a copy.

PELICANWEAR

A new range of off the pitch club wear is now available from our kit officer Debby Ramsdale. We hope to have pictures of all items on the website over the next few weeks and will have a board in the clubhouse displaying our new trendy clothing for off the pitch leisure wear from the start of the season.

Club Sponsors for 2011/12

Given the current financial climate the attraction of businesses sponsoring sports clubs is becoming increasingly difficult. I am delighted to confirm the following sponsors for Pelicans for the coming season. Please can all members do what they can to support the businesses of our sponsors and promote them in the same way they have brilliantly helped our club. Should anyone know any other possible sponsors for PHC please let any member of the Executive committee know or email your chairman, Mark Mills. We have a range of packages available that give back to our sponsors on and off the field, promotion of their businesses.
