## New coach new start to season for Men & Ladies

We have been lucky to attract 2 new coaches to PHC this season - Our Ladies section is being coached by Andrea Glover who is currently going through her Level 3 coaching course and is being assisted by Tracy Bower and Kath Johnson and have made a superb start to the season given the all new look Ladies 1st XI. They currently sit mid table in East division 1. Our Men's section is now being coached by Mark Jarvis, who is like Andrea currently going through his Level 3 coaching course and has joined the club this season. Mark is also a National League umpire and recently moved to the area as a teacher at Wisbech GS. The Men's 1st XI have also made a good start to the season given the changes and sit mid table in East Division 2 North.

## SCORE BOARD

A brilliant new score board has been created for the clubhouse to record the scores each Saturday for our teams home & away. Our thanks to Glenn Moore for his brilliant artistic skills.

## New Sponsors

Our thanks to all our sponsors this season but also to 2 new sponsors for 2012/13. King's Lynn Pavings & Patios and Caley Farms have kindly and generously sponsored the club this season. A full list of all the club sponsors can be found on our website, please support their business and services where you can as they have been generous enough to support our club.

## LEVEL ONE UMPIRES

Congratulations to Chris Willett and Giles Morgan who have successfully passed and completed their Level One umpiring qualification over the last 2 weeks.

## JUNIOR SECTION

If you have any issues or questions regarding the junior section please get in touch with Debby Ramsdale on her email - [ramsdale@googlemail.com](mailto:ramsdale@googlemail.com)

## KIT OFFICER

This season with Debby Ramsdale taking on the role of Head of Junior Section. Our new kit officer will be Sam Wildbur. Sam will be available most Saturday mornings at the clubhouse between 9am and 10:30am or you can contact her on [robertwildbur@hotmail.com](mailto:robertwildbur@hotmail.com)

## VACANCY

### WE NEED YOUR HELP

The club has still not filled the vacancy of Umpire Secretary. Umpires every Saturday mean we can all play the game, however, without this important role taken it makes the coordination of games and umpires very hard. We urgently need a volunteer to help us with this role and the running of the club. Please don't let the same people do these roles every year - step forward and make a difference - the club is changing and we welcome new faces and ideas to take Pelicans forward.

# WELL DONE & CONGRATULATIONS

A number of our younger club members have gone onto further success above club level and we're proud to confirm the following

### SAXON TIGERS

A brilliant achievement by Gabby Stilgoe and Lucy Reed on being selected for Saxon Tigers U15 - they will both attend HiPAC later this month and we hope will go on to great success and follow in the footsteps of Kath and Ella.....

### BURY TIGERS

Matthew Drohan has been selected for the Tier 1 squad and represented Bury Tigers U16's at Watford earlier this season.

Alanah Moore, Molly Frost, Beth Turner, Harry Lankfer and Matthew Nolan have all attended training for Bury Tigers Tier 1 so far this season.

# A BIG SIN.....

Our Hon. Treasurer Matthew 'Bov' Bower has committed the biggest sin of all for a veteran men's hockey player and has been drinking Rose wine!!! Our past Chairman, Saggy, wishes to remind you all of the Pelicans prayer.....

Our Ale  
Which art in bottles  
Hallowed by thy Hockey Players  
Thy will be drunk, I will be drunk  
At home as it is in the Clubhouse  
Give each day our daily schooners  
And forgive us our spillage  
as we forgive those who spillage against us  
Lead us not into the practice of gay **rose** wine drinking  
Deliver us from Tequila,  
for mine is the bitter  
the talent and the hockey  
Forever and ever

Thursday 15<sup>th</sup> November at Pelicans HC

24 School Teams competing to become champions of West Norfolk and progress onto the School Games County Final in March

If any club members can support on the day with umpiring I would really appreciate the help to make this event run smoothly and encourage more juniors to join the club.

### GIRLS DEVELOPMENT

You will have probably seen the match report for the Girls development game club derby, it did make press in both the Lynn News and Eastern Daily Press. Also tweeted by @EnglandHockey with the growth of our Junior girls section and use of local press.

The Pelicans hockey club junior section has continued to grow attracting more children to our Saturday morning training sessions. The numbers have grown so that we start the 2012-13 season with 2 girls development teams. The development league started last Saturday with a local club derby. The match was supported well by the parents, with many of the girls making the progression from 7 a side mini hockey to playing their first competitive matches on a full pitch. There was some good hockey on display from both sides. Final Score : Pelicans 'older' Development 3 - Pelicans 'younger' Development nil.

POM (A) Annabel Brown - (B)Orla McGovern

Kings Lynn Paving and Patios are proud to be a new sponsor for the 'older' team and wish both teams good luck in the coming season. New Members welcome, contact Jane Moore & Mike Jillings

## HARLESTON JUNIOR TOURNAMENT - SUNDAY 14th OCTOBER

Our U12 Girls came 5th in the tournament at Harleston on Sunday. Highlight of the day was Ellie Burt's thunderous shot on goal that split the ball into 4 pieces!!!

Congratulations to Pelicans **U12 Boys** finishing 5th today away at Harleston.

One of the youngest teams in the age group, a majority of players moving up an age group from last years U10 team.

Brilliant effort from all of the boys in their first few games together. Although we didn't finish 1st or in the top 3, it always puts a smile on the face of any Pelican when you drill 4 fantastic goals past the host team! A performance all should be proud of!!

Congratulations to the **U10 boys** for achieving a very credible 2nd place at Harleston today. An unusually small squad of 8 players turned up to compete today and worked tirelessly for 5 games. First up were Harleston B, they were swiftly dispatched with a 4-0 win with the Pelicans keeper not touching the ball. All 4 goals were scored by captain Sam Phillips, 3 from open play and 1 penalty corner. After a quick break the team took on Norwich Dragons with the same result, 3 goals for Sam and a first goal for Josh Ampomah and still not a ball touched by the keeper.

The next game was always going to be the toughest but the boys were full of confidence by this time. Harleston A also came into the match undefeated and it was a close game. An early goal from Sam Phillips unsettled Harleston but they managed to convert to draw level. Both teams missed further chances and it remained tight to the end, unfortunately Harleston got a late break and converted so the match finished at 1-2.

This didn't seem to shake anybody's confidence and the whole team went into the next game against Norwich City B with the same enthusiasm and energy. This time the goals were more evenly spread with Harry Fox and Shen Wei Lim both scoring their first goals with another 2 from Sam Phillips giving another 4-0 result.

Game 5 against Norwich City A was the first time the team looked to be tiring, chances were made by both teams but non converted and the game finished 0-0.

New boys Joseph Pink and Alistair Kerry showed promise, Shen Wei Lim's new found confidence was great to see and along with Harry Fox, Tom Towler and Josh Ampomah it really was a great team effort for the day. Special mention must go to Sam Phillips who scored a massive **10 goals** and James Kerry, in goal, who played for both the U10's and U12's - a total of 12 consecutive games without a break.
